InCasa Aged Care and Community Services

was established to enhance the quality of life of Western Australian seniors, who require support to remain living in their home independently.

About Us

As our name suggests, we believe that being 'at home' will support you to live your life your way.

We will assist you to carry out everyday tasks around the home which you may begin to find challenging, as well as support you to participate in family and community life.

We pride ourselves on providing a truly personal service, with our compassionate, multilingual and multiskilled staff on hand to cater to your specific needs.

Whether you are an individual looking for assistance, or enquiring on behalf of a relative, please call us on **(08) 9331 6980** or **0405 816 355** to discuss the services that you or your loved one require, to remain living independently at home.

Costs

We can provide a range of services based on your individual needs.

To find out more please call us on **(08) 9331 6980** or **0405 816 355** to arrange a free, no-obligation, assessment which can be conducted in the comfort of your own home.

You may be eligible for government subsidies to help with the cost of staying at home. Please ask us for more information during your assessment.
